

Scottish Style Drumming in the Music Department

Fridays @ 3.45pm Session lasts 90 minutes

DrumClub gives children the opportunity to learn either the spinning Tenor Drum or the Scottish Style of Snare Drumming (The most intricate drum style in the world.) Learning a musical instrument will give your child the chance to be part of a youth group where they will learn to work in a team environment, the focus and dedication needed to reach a goal, and we endeavour to encourage self discipline and artistic creation.

Through **DrumClub** we teach all participants to read percussion notation and duration. It is a proven fact that children who play a musical instrument are normally better at Mathematics and school work in general. The dedication and self motivation it takes to learn an instrument may well help define the adult you wish your child to become.

What are the costs: A pair of Drum Sticks \$25 + Drum Pad, Weekly Group Lesson (Of 4 or more) \$15 + 1 A4 folder with clear plastic sleeves.

For students who wish to participate in a band, we will assist those who progress through **DrumClub's** tutorial steps to join the The TAS Pipe Band. Members of the school band will also have to opportunity to compete with Governor Macquarie Memorial **Pipe Band**. This band is only 12 years old, they have been Australian and South Pacific Grade 4 Champions. Australian Grade 3 Drumming Champions and have competed in Scotland (twice) and Ireland with their Novice Juvenile band gaining 6th place at the European Championships and 10th place at the World Championships.

June 2020 will see the band competing in Singapore for the second time.
