

Dear Pottery Families,

I am thrilled to let you know that I have just been given the ok from TAS to come back and start teaching again in the Hoskins Centre for Term 3. I have a really fun project planned with plenty of structure, but also heaps of scope for artistic expression. Please let me know as soon as possible if your child (or children) wish to attend.

Details are as follows:

Who: This class is aimed at children from Kindergarten age to Year 4

Where: Art room 1 of the Hoskins Centre at TAS

When: Classes commence on Tuesday 3 August and run for 6 weeks. There is then 1 week off to allow for firing the work. Our exhibition and party is on Tuesday, 22 September. I would like the TAS students to come to class straight after school, so we can work together to set up the room. If you are coming from another school, just get there as soon as you can. The class finishes at 5 pm. I am assuming that all the children will be able to find their way to the room and will be picked up when class finishes. If you need any other arrangement, please let me know.

For any other information , and to enrol, please reply to weemalapot@yahoo.com.au or ring me on 6772 5371.

Cost: The cost is \$165. This includes instruction, materials, and firing of the work. Payment details will be sent when you enrol.

*Best Wishes,
Rick Hatch*
